- **Privacy Policy.** AWST views the protection of our client information as very important. As part of any purchase, you will directly provide AWST with personal information such as your name, business name, mailing address, telephone number, fax number, and e-mail address that will permit us to identify you and complete your purchase transaction. Your credit card information will also be collected and processed through a third party payment processor. That vendor stores your credit card number on a server that is not accessible by employees of AWST. We have been assured by our vendor that it has put in place proper controls intended to prevent any loss, theft, misuse, unauthorized access, or disclosure of credit card numbers. AWST will use all other personal information we collect from you only for purposes appropriate for conducting our business, such as to process your purchase, follow up on services provided, send announcements on new features, events, products or services, creation of a client database, audits, reporting requirements, and for other activities related to business administration, marketing, research, product development, or improving the quality of our services and products.
